INDEPENDENT AUDITOR'S REPORT

BOARD OF DIRECTORS
CARING FOR CARCINOID FOUNDATION, INC.
BOSTON, MASSACHUSETTS

I have audited the accompanying statement of financial position of Caring for Carcinoid Foundation, Inc. (a Massachusetts corporation, not for profit) as of December 31, 2010 and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of Caring for Carcinoid Foundation, Inc.'s management. My responsibility is to express an opinion on these financial statements based on my audit. The prior year summarized comparative information has been derived from the Foundation's 2009 financial statements and, in my report dated May 14, 2010, I expressed an unqualified opinion on those financial statements.

I conducted my audit in accordance with auditing standards, generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Caring for Carcinoid Foundation, Inc. as of December 31, 2010 and the results of its operations and changes in net assets for the year then ended, in conformity with accounting principles, generally accepted in the United States of America.

Notes to Financial Statements

December 31, 2010

I. Summary of Significant Accounting Policies

A. Basis of Presentation:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. The accrual method recognizes income as it is earned and expenses as they are incurred.

The foundation has adopted Statement of Financial Accounting Standards Nos. 116 and 117, "Accounting for Contributions Received and Contributions Made" (SFAS 116) and "Financial Statements of Not-For-Profit Organizations" (SFAS 117). Under SFAS 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions. Under SFAS 117, the foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by the statement, the foundation does not use fund accounting. Currently, the foundation has no restricted assets.

B. Property and Equipment:

Property and equipment are recorded at cost. The cost of maintenance and repairs is charged to expense as incurred. Major improvements are capitalized. Depreciation is computed using the straight-line method over the estimated useful life of the asset. Currently, the foundation has no fixed assets. The foundation capitalizes all assets with a cost of \$500 or more.

C. Cash Equivalents:

For purposes of the statement of cash flows, the foundation considers all cash and all other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Caring for Carcinoid Foundation, Inc.

Notes to Financial Statements

December 31, 2010

D. Investments:

The foundation follows the guidance of SFAS No. 124, "Accounting for Certain Investments Held by Not-for-Profit Organizations." Under SFAS No. 124, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

E. Advertising Costs:

The foundation expenses the cost of advertising as incurred. Advertising costs expensed in 2010 and 2009 were \$0.

2. Nature of Activities

The foundation was incorporated under the laws of the Commonwealth of Massachusetts on December 6, 2004 for the purpose of receiving funds and distributing such funds and/or income therefrom to:

1. Support carcinoid cancer research
2. Promote awareness of carcinoid cancer
3. Inform the public of the progress on carcinoid research

3. Organization

Caring for Carcinoid Foundation, Inc. is a not for profit corporation organized under Massachusetts General Laws Chapter 180; it is also a 501(c)(3) organization under the Internal Revenue Code of 1986 as amended. As such, the organization is exempt from federal and state corporate income taxes and various federal and state excise and sales taxes. As a 501(c)(3) organization, all donations made to the organization may be deductible for federal income tax purposes.

Caring for Carcinoid Foundation, Inc.

Notes to Financial Statements

December 31, 2010

4. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

5. Fair Value of Financial Instruments

The foundation's financial instruments include cash and cash equivalents, pledges receivable, and grants payable. The Foundation estimates that the fair value of these financial instruments at year end does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of financial position.

The estimated fair value has been determined using available market information and appropriate valuation methods. The carrying amounts of cash and cash equivalents, pledges receivable and grants payable reported in the statement of financial position approximate fair value because of the short maturities of those instruments.

6. Prior Year Information

Prior year information presented in these financial statements is not a complete presentation in conformity with generally accepted accounting principles.

7. Pledges Receivable

All pledges receivable are due in one year or less, and, per management, all pledges are deemed collectible.
