## Chicago NET Patient and Caregiver Education Conference

**Saturday, September 14, 2019**

**UNIVERSITY OF CHICAGO QUADRANGLE CLUB**

1155 East 57th Street, Chicago, IL

The 2019 Chicago NET Patient and Caregiver Education Conference will offer educational and networking opportunities for people living with NETs, their caregivers, family members, and friends.

Educational sessions and panel discussions will be led by leading NET experts including conference co-chair Dr. Xavier Keutgen and colleagues from the University of Chicago Medicine, the Mayo Clinic, the University of Iowa, and guest speaker Dr. Pam Kunz from Stanford University Medical Center.

Whether you are newly diagnosed or have had NETs for many years, attending a conference is a great way to learn about the disease and become connected with others.

- **Breakfast, lunch, and snacks provided**
- **Participation is free, seating is limited**
- **Room block available**

Comprehensive  
Cancer Center
