\* ORCID profile update- Save time!

If you do so, you can transfer the updated information directly into your ProposalCentral Progress Reports rather than reentering it.

Have you updated your ORCID profile? Enter Yes or No below:

Text input field for ORCID profile update response.

(Do not exceed 3 characters, including spaces)

\* Below, please briefly describe significant findings, progress towards meeting proposed benchmarks, or any problems/challenges that arose during this reporting period. Please attach any figures or data in the Upload section.

Milestones: Enter your progress on your Milestones Tracking Document (Download form, fill it in and reupload in the Upload section).

Text input field for Milestones progress.

(Do not exceed 5000 characters, including spaces)

\* Lay Summary of Progress (IMPORTANT: This will be shared publicly with donors that contributed to your project)

Text input field for Lay Summary of Progress.

(Do not exceed 5000 characters, including spaces)

\* Modifications:

Enter whether you are proposing any modifications to the original Research Project plan, or anticipating changes to its research design or specific aims. If you are, also describe these changes and provide detailed justification that may be submitted to NETRF for approval. Enter Yes or No followed by description.

Text input field for Modifications.

(Do not exceed 5000 characters, including spaces)

\* Career Advancement:

If you advanced your career since the start of the award, please describe promotion and new title below:

Text input field for Career Advancement.

(Do not exceed 5000 characters, including spaces)

\* Awards:

If you received any awards since the start of this grant, enter them and their descriptions below:

Text input field for Awards.

(Do not exceed 5000 characters, including spaces)

\* Meeting/Invited Presentations:

If you have presented any work from this project at conferences/scientific meetings/invited talks, please list the meeting(s)/date(s)/location(s) below:

Text input field for Meeting/Invited Presentations.

(Do not exceed 5000 characters, including spaces)

\* NET Resources/Sharing:

Has your project generated data or datasets that benefits the NET scientific/clinical community? If so, please enter in the Data Sharing Section. Has your project generated other resources that benefits the NET scientific/clinical community (e.g. DNA probes, animal models, cell lines, novel therapeutics, risk assessment tools)? If so, please list the reagent or resource and describe Sharing Plan for how it can be accessed, if applicable:

Text input field for NET Resources/Sharing.

(Do not exceed 5000 characters, including spaces)

\* Patents and Intellectual Property:

If your project generated any discoveries that are, or may be, patentable, or otherwise protectable under applicable law in the course of the research funded through this grant, please enter information in the Invention Section.

Also describe the type of protection below (e.g. Intellectual Property, Patents, Provisional Patents, etc.) and include:

Title (s):
Date Filed:
Date approved:
ID Number
List any companies formed from technologies arising from the Project:

Text input field for Patents and Intellectual Property.

(Do not exceed 5000 characters, including spaces)

\* Clinical Trials (if applicable)

Has your project contributed towards the conduct of a clinical trial?

If so, please enter the following information:

Identifier (NCT#, Protocol ID):
Title of Trial:
Trial Description:
Start Date-Closure Date:
Number of Patients Enrolled:
Target Accrual Date:
Date of Protocol Documents:

Text input field for Clinical Trials information.

(Do not exceed 5000 characters, including spaces)

\* Collaborations

Please list any new collaborations or collaborative projects that have resulted from your project. Provide the following information:

Name of Collaborator (if applicable)
Institution/Organization/company Name
Nature of collaboration

Text input field for Collaborations.

(Do not exceed 5000 characters, including spaces)

\* Publicity

Has your institution prepared any press releases, newsletter articles, etc., to promote your receipt of this grant or to announce any research findings emanating from the Research Project? If so, please enter the following information and upload a copy for NETRF:

Type of Publicity (e.g., press releases, newsletter articles, etc.):
Description of Publicity:

Date Released (to be released):

Text input field for Publicity information.

(Do not exceed 5000 characters, including spaces)

Save Cancel

\*Upload

Please upload your attachments (Figures and/or tables) that should be included with your Description of Report Periods Activities.

Allowable File Types: .pdf

File upload area with a dashed border and a link to browse and upload file.

\*Other Support

Have you received any additional funding during this reporting period to support this Research Project? Yes or No. If yes, please include this in the "Other Support" section.

No Other Support to report

Table with columns: Status, Award Number, Funding Source, Title, Source, Action

+ button

\*Publications

Please include any manuscripts that have been accepted for publication since the start of the grant term.

No Publications to report

Table with columns: Citation Year, Status, PMID, Title, Journal, Source, Action

+ button

Inventions

Has your project generated any discoveries that are, or maybe, patentable, or otherwise protectable under applicable law in the course of the research funded through this grant?

No Inventions to report

Table with columns: Date, Title, Status, Owner, IP Protections, Licenses, Source, Action

+ button

Note: The Data Plan or Opt Out tab selection is based on your last submission, if submitted before. To change the tab selection and its details, 1) use the Clear button in the current tab to remove the saved data 2) Select the Data Plan or Opt Out tab and enter data appropriately.

-List Resource and Sharing Plan for how it can be accessed, if applicable.

Text input field for Resource and Sharing Plan.

0 out of 3000 characters

Approximate date of when the data will be shared.

Date picker showing 6/1/2027

Data Sharing Limits

Text input field for Data Sharing Limits.

0 out of 3000 characters

Confirmation of Data Deposits.

Text input field for Confirmation of Data Deposits.

Where will the data be made available? Select all that apply.

Repository List - Options

- ArrayExpress
BioModels
CellML
ClinicalTrials.gov
ClinVar
COSMIC
Culture Collections
database of Genotypes and Phenoty
Dataverse (general)
Electron Microscopy Data Bank (EMI

Repository List - Selected

- GitHub (source code)
NCBI GEO Datasets
